

SCHOOLS CLOSURES – PROCESS FOR PREMISES DEVELOPMENT TEAM (Updated November 2015)

In the event of an emergency occurring, or in severe weather conditions, the decision about whether to close the school is made by the Headteacher in consultation with the Chair of Governors. It is policy on the Island not to declare a blanket closure. It is based on local conditions, and often depends on whether enough teachers have been able to get to the school to ensure pupil safety. Some might be able to open, others nearby might be forced to close.

WHAT HAPPENS DURING SEVERE WEATHER?

Headteachers will inform the local authority of the decision to open, close or partially close **at the earliest possible opportunity** and **no later than 7.30am**.

Once the report of a school closure has been notified, the information will be passed to the council's Media Relations Team:-

The Media Relations team will contact all local media and will regularly update a school closures list on the www.iwight.com website and on the council's Facebook and Twitter pages.
